UNIVERSAL TRACTOR OILS

Super Versitrac 10W/40

Container 205L & 25L

This advanced multifunctional lubricant has been designed to cover the majority of agricultural lubrication requirements, whilst maintaining a reduced inventory. This grade is formulated with the latest additive technology and high quality mineral oils to produce a universal lubricant for tractors, combines and agricultural machinery subjected to the severest of operating conditions.

Specifications: API CG-4, MAN271, MIL-L-2104D, MB228.1, Ford M2C-121B, M.F. M1139/1144/1145 (approved), Ford M2C 159B, John Deere JDM J27, ZF TE-ML 06,07, NH No 8200 9201

Super Farm Universal 10W/30

Container 205L & 25L

A high performance multigrade providing a high level of protection for tractor engines, transmissions, final drives, hydraulics, PTOs & oil immersed brake systems. Specifications: API CG-4, MF M1139/1144/1145, Ford M2C 159B, John Deere JDM J27

Ring Free XHDS 10W/40

Container 205L & 25L

A high performance diesel engine oil, utilizing the latest performance additive technology to meet API CI-4, ACEA E7 and Global DHD-1 specifications. This product is ideal for use in low emission diesel engines used in agricultural applications. Suitable for most EGR engines and those fitted with SCR NOX reduction systems. Specifications: API CI-4/CF, ACEA E7/E5/B3, MB 228.3, Volvo VDS-3, Scania LDF-2 (approved), Global DHD-1, MAN M3275, MTU DDC Type 2, Mack EO-M+, Cummins CES 20077/78, Renault RLD/RLD-2

GEAR OILS

Liquimatic JDF

Container 205L & 25L

Recommended for tractor and construction equipment transmissions, final drives, hydraulics and oil immersed brake systems requiring an oil of this type. Provides excellent anti-squawk performance. Specifications: JD J20D, Ford M2C 86B/134D, NH 410B, MF M-1135/1143, Allison C4, API GL4, CAT TO-2

GREASE

K42 EP

36 x 400g Carts / 12.5Kg Keg

Multi-purpose lithium based grease combining high temperature and water resistance with extreme pressure and corrosion inhibiting properties. Recommended for wheel bearing, chassis and other general grease applications.

FARM SUNDRIES

GROUND FORCE CROMA 30

Chainsaw Cutter Bar Oil

MILKING MACHINE OIL

High grade vacuum pump oil for use in milking machine pumps

ENGINE STORAGE OIL

A protective oil with excellent rust preventing properties for use in sumps of vehicles standing for long periods

HAND CLEANSER

Antiseptic hand cleansing gel packed in 12.5kg Kegs

BIODEGRADABLE

Terralus Earth Welfare Products

A range of biodegradable products designed to reduce environmental impact. These products have been formulated for use in equipment operating in conditions where there is a risk of environmentally pollution. The portfolio includes: hydraulic fluids, tractor transmission oil, compressor oil, cutter bar oil, two stroke oil and cleaners.

Fuels for Home, Farm & Industry...

ENGINE OIL

Ring Free Ultra 10W/40 (Low SAPS)

Container 205L & 25L

Low SAPS (Sulphated Ash, Phosphorus and Sulphur) synthetic heavy duty diesel specific engine oil, designed to cope with the exacting demands of low emission diesel engines (Euro 4 & 5). It has been developed for use in engines fitted with particulate filters, EGR or SCR NOX reduction systems. Specifications: API CI-4, ACEA E6 / E7, MAN M3477, MB 228.51, MTU Type 3.1, Volvo VDS-3, DAF M/R, Renault Trucks RLD-2, MACK EO-N, Deutz DQC-111-10

Ring Free VS Plus 15W/40

Container 205L & 25L

An advanced technology heavy-duty diesel engine oil, designed to meet the most severe lubrication requirements of North American and European designs. Powerful, innovative additive chemistry controls soot thickening and soot induced wear, making this grade suitable for use in Euro 2, Euro 3 and Euro 4 engines (including EGR versions). Specifications: ACEA E7/E5/E3, API CI-4/SL, CAT ECF-1, Global DHD-1, Cummins CES 20071/72/76/77/78, MB 228.3, MAN M3275, MACK EO-M Plus, MTU Type II quality, Volvo VDS3 (Approved 07-604), Allison C4 quality.

Ring Free MXC 15W/40

Container 205L & 25L

A high quality mixed fleet oil for diesel and petrol engine types, formulated for operators demanding extended oil drain intervals without compromising component protection. This has high levels of detergency and dispersancy to reduce combustion chamber deposits and ring sticking as well as protecting from wear, rust and corrosion. Outstanding soot and sludge control helps to maintain component integrity and engine efficiency. Specifications: ACEA E7/A3/B4-08, API CH-4/CF/SJ/SL, MB 228.3/229.1, MAN M3275, Volvo VDS2, RV RLD99 Cummins CES 20071/20072/20076/20077, MACK EO-M Plus, MTU TYPE-2, VW 505.00, Allison C4

Duplex CDX 15W/40

Container 205L & 25L

A high quality mixed fleet oil for engine types, turbocharged or naturally aspirated, petrol or diesel. Specifications: API CG-4/SJ, ACEA E2/B3/A3

GEAR OIL

EP80W/90

Container 205L & 25L

High quality extreme pressure gear oil for drive axles, including hypoid designs and certain gearboxes. Meets API GL5 25L

Also available, all types of transmission oils, hydraulic oils, automatic transmission fluids, greases and garage grades. MOST GRADES CAN ALSO BE OBTAINED IN BULK QUANTITIES.

£POA

CLEAN-UP GRADES

FLOOR DRESSING GRANULES

Absorbent granules to soak up spillages and drips.

CADENCE

Traffic film remover and cleaning agent for hot and cold washes and steam cleaners.

LYDIAN

Water emulsifiable solvent for heavy duty cleaning and degreasing.

ABGEL HAND CLEANSER

Beaded gel for industrial and commercial washrooms.

BARRIER CREAM

Anti-septic barrier cream to prevent skin infection and irritation.
